

Top-box-office-page: Rating Button not allowed

Pre-conditions

- **Scenario:** Rating a movie with 10 stars in the Top Box Office section of IMDb.com
- **Date:** [06/10/2024]
- **Tester:** Fco P

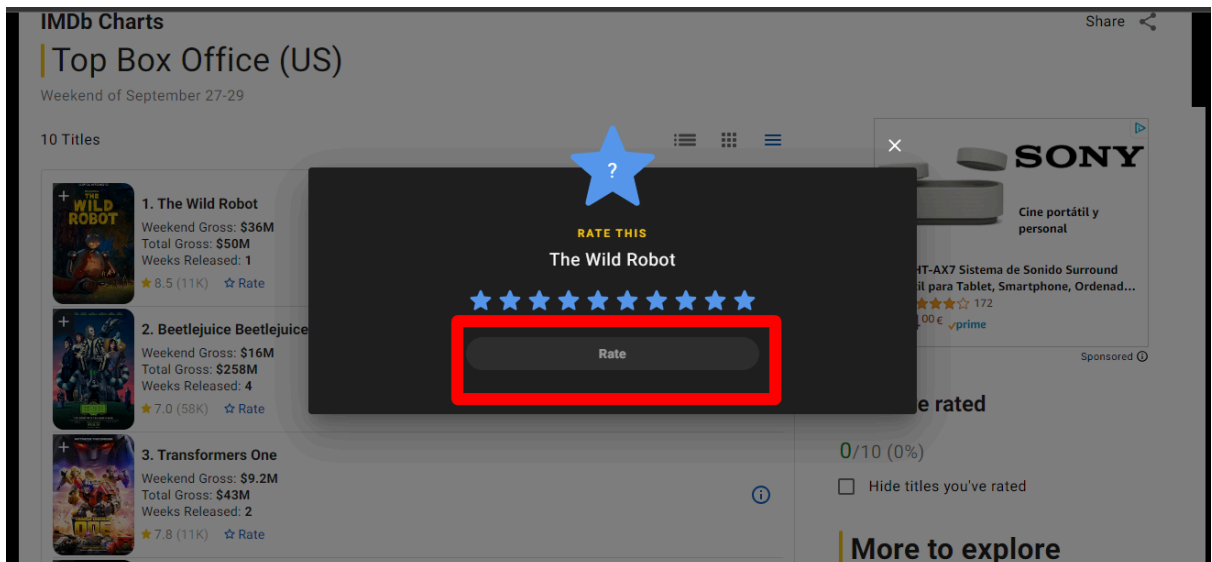

Steps to Reproduce:

1. Go to [Top Box Office on IMDb](#).
2. Select any movie from the list.
3. Attempt to rate the movie by selecting 10 stars.
4. Observe the state of the "Rate" button.

Current Behavior:

- The "Rate" button is not enabled after selecting 10 stars, not allowing the submission of the rating.

Screenshot:

Expected Behavior:

- After selecting a 10-star rating, the "Rate" button should become enabled to allow submission of the rating.
